Letter No A6C 2360/23-34 dated 26 3-34 from the Deputy Commissioner, Junkenur Dt recommending sanction to permit the Madhugun Municipality to maintain the road from Madhugun to the Sree Hantharavara Temple and to receive from the Junkenur Dt Board a contribution of Rs 50 per mile.

1 It is reported that the road leading from Madhugun to Sree Hantharavara Temple is 2 miles long and that a mile and a half ~~of~~ ^{of the} road belongs to the Junkenur Dt Board. The Madhugun Municipal Comm have resolved that the ~~entire length~~ ^{entire length} of the road be maintained by the Municipality as only the local people attend the ~~temple~~ ^{temple} generally. The Junkenur Dt Board have however agreed to this proposal & to pay Rs 50 per mile to the Municipality towards the maintenance charges. The point for consideration is whether the Municipality can be allowed to maintain a road outside its limits. Section 58(v) of the Town Municipalities Regulation may perhaps be made applicable to this case. The same Section may be consulted.

permitted to maintain the road and to
incure some expenses on this account out

5 The question therefore is whether under
the Regⁿ, the M' C' can spend its funds for
this purpose. I think there can be no legal
objection to this, if only the procedure prescribed
in Sec 58(9) is followed. The proper maintenance
of this road is likely to promote the convenience
of the inhabitants of Madhupur, as is clear
from the President's letter of 13th Febr 1934 H'so

I have the honor to state that the Municipal Council, Madhugiri in their meeting held on 25-1-1934, have agreed to take up the work of the annual repairs to Harihareswara temple road receiving a contribution of Rs 50/- per mile from the District Board, Tumkur. It is stated that the temple of Sree Harihareswara is about 2 miles from Madhugiri and a mile and half from the District Board road. Most of the devotees are the residents of Madhugiri town and an annual jatra is also celebrated there mostly by the local people. As the temple road is mainly used by the local people, I request that special sanction of Government may kindly be obtained for the above arrangement.

Sir, r

In enclosing copy of letter No C 105/33-34 dated 16th January 1934, from the President District Board, Tumkur, agreeing to pay a mileage grant of Rs 50/- for the maintenance of the Harihareswara Temple Road, by this Municipality, I have the honor to state that the Temple of Sri Hari-hareswara is about 2 ~~xxx~~ miles from Madhugiri of which about a mile and a half forms the District Board Road. Most of the devotees are residents of this town and a few in the villages round about. An annual jatra is also celebrated here mostly by the local people and Mr Harianna of Bangalore. As this temple and road serve mostly local needs, the Council is of opinion that the road which the District Board have so kindly opened would be best maintained by the Municipality. Special Repairs will of course as in the case of other roads be met from the District Board only, on estimates duly sanctioned by that authority.

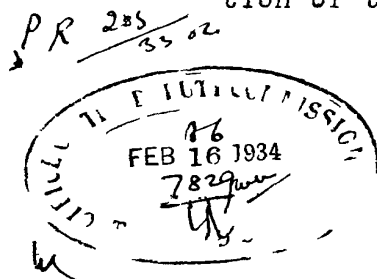

I request that special sanction of Govt, may kindly be obtained for the above arrangement. A copy of the resolution of the Municipal Council is enclosed.
